Dear Sir/Madam

The Thrissur District Co-op. Bank Ltd., as you are aware, is a leading Bank in the public sector. With a history of ninety years, the Bank is legitimately proud of the fact that it is the only bank in the Co-operative sector that caters to the needs of all sections of society. It has branches all across the district and functions under the control of RBI with significant profit. As part of its commitment to help the economically weaker sections of society, we are embarking upon an ambitious and innovative scheme:

interest free loan to needy students.

Several well-wishers have come forward to make deposits in the bank to promote this scheme foregoing interest.

To carry forward our vision - 'to wipe every tear from every economically poor student's eye' - to its successful conclusion we solicit your whole hearted co-operation.

Board of Directors
Trichur Dist. Co-op. Bank

You deposit your money, it goes straight to an Interest Free Loan to that bright Boy or Girl who has dreams in life, but not the means to fulfil them. Your deposit will be absolutely secure with us. A Board will be constituted to manage the fund. Your deposit will be a heaven-sent blessing to many and will go a long way in helping to realize the dreams of the poor.

The Plan

- The Corpus Fund will be formed by collecting interest-free bank deposits from well wishers.
- A Board will select eligible candidates from the applicants. The members of the Board will include nominees of the depositors.
- Eligibility to apply is restricted to candidates from Thrissur District.
- Application will be invited through an advertisement in the newspapers.
- Loan will be given in the form of cheque or draft to the Educational institution concerned.
- Loan shall be remitted back to the bank within 6 months of completion of the course or getting a job whichever is earlier. The loan need not be paid back in bulk, it could be done over a period of 5 years.
- The maximum period of the course eligible for the loan is 5 years.
